

08/01/21

At Access Care Partners, we believe everyone deserves the dignity and comfort of living independently in the place they call home. Our trusted Home Care Services provide the support you need to maintain your health, happiness, and independence.

We offer an array of comprehensive in-home services that empower you and your loved ones to live independently at home.

Collaboration is at our core. Our person-centered approach ensures your preferences and needs are our top priority. Your individualized service plan can provide the support you need to maintain your health, happiness, and independence.

With Access Care Partners, you're not just receiving care; you're gaining a partner in your journey toward a more independent and fulfilling life.

For more information about these and other programs and services, check out our website at www.accesscarepartners.org

Serving Holyoke, Chicopee, Ludlow, Granby, Ware, South Hadley, Belchertown & many surrounding communities.

Access Care Partners is supported in part by Older Americans Act funding from the MA Executive Office of Aging & Independence, the Administration for Community Living and private funding sources.

At Access Care Partners, we are committed to connecting you with the resources and services that **EMPOWER YOU** to live independently while maintaining your dignity, safety, and quality of life.

How We Help

At Access Care Partners, we work closely with trusted provider agencies to connect you with the support services you need. These include:

- Personal Care Assistance: Help with bathing, dressing, grooming, and hygiene.
- Homemaking Services: Light housekeeping, meal preparation, and laundry.
- Companionship: Friendly visits and social engagement to enhance well-being.
- Transportation: Access to medical appointments.
- Medication Management: Assistance with reminders and organization.
- Personal Response Systems: 24/7 emergency alert devices to help you stay safe and connected at home.
- And more!

Why Choose Access Care Partners?

Compassionate, Coordinated Care
Our team of Care Managers and Nurses delivers thorough assessments and expertly oversees your tailored care plan, ensuring your needs are addressed.

Trusted Partnerships
We carefully vet and collaborate with local agencies, ensuring high-quality care and peace of mind for you and your family.

Flexible Services
We collaborate with you to design a care plan that suits your unique needs, connecting you with the most suitable provider agency.

Community Connections
As a part of the community for over 50 years, we connect you with reliable local resources and support networks.

How to Get Started

It's Easy to Begin Receiving Care

1. **Call Us at 413-538-9020** to discuss your needs with our Information and Referral Team.
2. **Schedule an Assessment**
One of our Care Managers and Nurses will visit your home to perform a thorough and personalized assessment.
3. **Develop a Personalized Plan**
Together we can develop a personalized care plan that meets your and/or your caregiver's needs.

Let's build a care plan together that empowers you to live your best life at home.
